AMENDMENTS TO THE SPECIFICATION

IN THE SPECIFICATION:

Please replace the paragraph on page 4, lines 8-16 with the following rewritten paragraph:

As the aromatic compound, on the other hand, the following are listed, for example:

styrene,

alpha methyl styrene,

vinyltoluene,

divinyl toluene,

2-phenyl-2-butene, etc.

For example, "YS-Resin TO", "YS-Resin TR", "Clearon #2- M2 and "Clearon K" made by Yasuhara Chemical Co., Ltd. are commercially available aromatic modified terpene resins. Preferably, "YS-Resin TO" is used.
